## TitanGuard™

GUTTER GUARD

- Handles high water volume
- Flat, perforated surface allows leaves and debris to dry and blow off
- Made of high-quality aluminum — no warping
- Screws to the front and back of the gutter, as well as the fascia board, strengthening the entire gutter system
- Low-profile design blends beautifully with the roof line

### AVAILABLE COLORS

Black

White

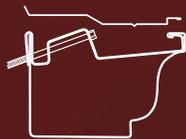

Mill Finish

#### FLAT PROFILE

Works with spike/ferrule and flat hidden hangers

#### STEP-UP PROFILE

Works with any K-Style hanger

Available in 4' and 10' lengths, at 5" and 6" widths, in both flat and step-up designs
